Lynn Brick Leads Touch Grid Loop After 41-7 Win

Sunday's games completed the fifth week of play in the Southern California Touch Football Association, the results giving the Torrance Lynn Bricks the top spot with a 41 record following their decisive 41-7 victory over the National Home Appliance squad in the game played at the local high school. Sachs and Sons Ford Dealers of Downey held close to the leaders with a 41 record by winning over the Torrance Theaters 1-0 at Downey. Dedmon's Mobilgas of Whittier bounced on the Whittier Sporting Goods, 12-0, at York Field for a 22 third place rating.

Brickman Paul Biller led the winning attack with two TD runs of 30 yards in the first and last periods. Biller opening the first period scoring on a trip around left end. A conversion pass from J. Imel to Bill Moon was good for the extra counter. The winners took a 14-0 lead near the end of the quarter on a TD pass from Imel to Bert Lynn and a conversion toss from Bob Golden to Lynn. Seven points were added in the second stanza on Imel's 45-yard pitch to Moon for 6 points and another to Eddie Roberts for the point after.

The National Home Appliance made a strong bid to get back

in the ball game in the third quarter by holding the Brickers scoreless while scoring on Tony Kessona's interception for a TD and Bill Stanley's extra point throw to Kessona. The winning Brickmen went on a 20-point scoring rampage in the final period on three TD's and a pair of conversions. Golden passed to Roberts and Bud Hartup for a pair of 6 pointers and Biller intercepted and ran 30 yards for another. Golden threw extra point passes to Lynn and Roberts.

Torrance Theaters were flinched again by injuries and manpower shortage in their clash with Sachs at Downey. Making the trip with a minimum squad of eight, the Showmen had a 6-0 advantage early in the game which boomeranged into a 1-0 forfeit win for the Fordmen as Tommy Nuckles was removed from the game with an injured foot.

A league ruling requiring that shoes be worn will be strictly enforced in the future, according to Elmer "Red" Moon, league officer.
